

Product data sheet

Beha fan heater VT 620

BEHA

Properties

- Class II product. Double isolated
- Switch with 4 steps: Off / Cool air / 1000W / 2000W
- Thermal fuse
- Tip-over protection
- Mechanical thermostat
- White cable 1,4m
- Weight: 0,9 kg
- Power supply voltage: 220-240V AC 50Hz
- Color: White / grey
- Minimum safety distance:
 - Front: 1m
 - Back: 50cm
 - Side: 50cm

Description of fan heater VT 620

The fan heater VT 620 is additional heat and is only suitable for occasional use in well insulated spaces. The fan is made in plastic with a mechanical thermostat and tip-over protection below the fan. The switch has 4 steps. Off - Fan only - 1000W - 2000W.

When the heater is in use, the fan draws in air at the back and blows it through the element and out at the front.
